COMMERCIAL PROPOSAL & QUOTATION

Date: February 6, 2026 **Valid Until:** March 6, 2026 **Service:** Local Generative AI Studio Installation & Optimization

PROJECT SCOPE

Professional deployment of a fully offline, commercial-grade Generative AI production environment. Service includes environment configuration, model installation, workflow customization, and hardware-specific optimization (SageAttention/Triton).

PACKAGE OPTIONS

OPTION A: STARTER CORE

Ideal for: Individual Freelancers, Social Media Managers

1. Infrastructure Setup:

- Installation of ComfyUI Manager & Python Virtual Environment.
- CUDA & PyTorch Dependency Resolution.

2. Included Models (Base Pack):

- **Image:** Flux Schnell (Drafting), SDXL Turbo.
- **Upscale:** 4x-UltraSharp (Native).

3. Features:

- Standard Template Workflows (Text-to-Image, Img-to-Img).
- Basic 720p Video Generation.

TOTAL PRICE: ₹35,000 INR

OPTION B: PRO CREATOR (RECOMMENDED)

Ideal for: Design Agencies, Video Editors, Architects

1. Infrastructure Setup:

- **Performance Boost:** Implementation of **SageAttention** & **Triton Kernels** (30-40% Faster).
- **Memory Guard: GGUF** Quantization setup for efficient VRAM usage.

2. Included Models (The 2026 Stack):

- **Image: Flux.2 Family, Z-Image Turbo,** Chroma (Uncensored).

- **Video: Wan 2.1** (Cinema Grade), **LTX-2** (Sync Audio/Video).

- **Audio: ACE-Step** Music Generator.

- **Edit:** Qwen-Image-Edit & Face Swap capabilities.

3. Features:

- 3 Custom Workflows (e.g., Face Swap, Sketch-to-Render, 4K Video Upscale).

- **SUPIR** & **FlashVSR** High-Fidelity Upscaling.

- 1-Hour Remote Calibration & Walkthrough.

TOTAL PRICE: ₹55,000 INR

OPTION C: ENTERPRISE STUDIO

Ideal for: Production Houses, VFX Studios

1. Infrastructure Setup:

- Multi-GPU Clustering (if hardware available).

- Local Training Environment (LoRA/Fine-tune) setup.

2. Included Models:

- Complete 2026 Stack (Option B) + All future SOTA updates for 30 days.

3. Features:

- **Tailored Workflows:** 2-5 Bespoke pipelines specific to client business logic.

- **Custom UI:** Simplified "Node-Free" dashboard for non-technical staff.

- **Priority Support:** 1 Month Technical Support & Re-installation.

TOTAL PRICE: ₹75,000+ INR *(Final price subject to specific custom workflow complexity)*

TERMS & CONDITIONS

1. **Payment Terms:** 50% Advance to book installation slot, 50% upon successful completion and verification.

2. **Prerequisites:** Client machine must meet the defined **Hardware Requirements** (Document Ref: SYS-REQ-2026).

3. **Liability:** Models are provided "as-is" based on open-source licenses. Client assumes full responsibility for content generated (See Liability Waiver).

4. **Service Location:** Remote Installation (via AnyDesk/TeamViewer). Physical installation available in select cities (Travel charges extra).
